Faith and doubt both are needed — not as antagonists, but working side by side to take us around the unknown curve. Lillian Smith

Sunbeams out of the clouds, Faith out of all my doubt. Terri Guillemets

Faith is Hope with a holier name, hope that knows neither deceit nor death. Ah, how wisely do you speak of the philosophy of belief! It is, indeed, the telescope through which the stars grow large upon our gaze. Edward George Earle Lytton Bulwer

As your faith is strengthened you will find that there is no longer the need to have a sense of control, that things will flow as they will, and that you will flow with them, to your great delight and benefit. Emmanuel

Faith is the quiet cousin of courage. Judith Hanson Lasater

In faith there is enough light for those who want to believe and enough shadows to blind those who don't. Blaise Pascal

Lord guide us,
on our earthly journeys,
pilgrimages toward your heart.
Lord prepare us,
Help us throw off what distracts,
let go of what burdens,
and discern what is essential.
Lord lead us,
into the company of friends.
Together may we travel far,
looking with fresh eyes,
prepared for new landscapes,
ready to sing a new song.
Lord teach us,
your unforced rhythms of grace,
Let us learn to live freely and
lightly,
All the pilgrim days of our lives.
